A little break in the action

This last Wednesday became a surprise to many of us. The club got together and held an event to replace our thoughts of our Invitational. I decided to call it “an event”. A novel idea to say the least. I put together a two-man Shamble format better ball tournament. WOW was I surprised that everyone who played had such a good time. I THANK all of you who are members and those that are guest of members for a very memorable outing. This was held as a shotgun start at the difficult Metamora Golf and Country Club. I put the course together to give everyone a chance to get to the green for birdies and eagles. Our thanks to Rick Fleming, Director of Golf at Metamora and all the Lapeer High School seniors that worked the course, the carts, and the end in cleaning clubs. I do hope you thanked them and gave them some allowance-I am sure you did.

The members that brought in guest, thank you, they enjoyed it. That is especially Jerry Solomon’s group. As you see from the results, they should be happy.

We will grow this format and grouping next year. I pretty much think I have the format down, maybe a tweak or two in the handicap system and a few tweaks on the prize money system.

Looking ahead for 2015—if we can manage to get this up to 26 teams of two, then I can probably go to two flights, playoffs and a few other points of playing. This may even encourage members possible to bring in a partner. With this format, we really do not need an “Invitational” per say, but we could think about starting it around noon shotgun with dinner at the end....WE WILL SEE next year.

The results from the outing are as followed:
