#11/12TH Week of July 27 2014

Due to my vacation time, I am combining two Tee Boxes, #'s 11 and 12.

July 16th at Greystone Golf Club

We had another wonderful day out on the links. The club had 27 players involve of which four of our members we playing the semi-finals of match play. As reported in a short message, Wynn Miller and Sam Matthews both succeeded in advancing to the finals.

Results of this week are published below. The points towards the “JUG” will be included in with the finals of match play at The Orchards on July 23rd.

Officially, the results of July 16th are as followed:

Low Net of the Day	Jim Filak 68
Skins won by	Filak (2)
	Whitmore/Walenczak/Schiff/Palazzolo/Moore 1 each

The treasury was awarded with \$51.00 of three-putt money. Your treasury thanks you all for the donation.

Now on to Wednesday July 23 at THE ORCHARDS-Finals of Match Play

What a day to start with. Cold in the morning at around 65 degrees and it did not warm up over 70 the rest of the round with wind blowing a bit on the harsh side. The two finalists in the Match Play, Miller, and Matthews were in the last group going off with Moore and Siegert playing along as two members of the club with their watchful eye.

According to those two cub reports, the match was relentless. Each player winning a hole or two and neither one of these players ever got down more than a hole.

Miller final prevailed at the last hole. Going into the 18, Miller had Matthews dormie. Matthews had no choice but to let it go all out on this finishing hole. An approach shot going “south” gave Miller enough of a chance to put it up there close and make Matthews to Birdie to tie him. Not done and Miller our club’s handicap chairman wins the 5th annual President’s Medallion Match Play Championship.

WE ALL CONGRATULATE Wynn on this historical victory.

Miller joins the ranks of other RIGC major winners: Senkyr with three majors, followed by Siegert with two majors and Landis, McKay, Santos, Curto and Moore with one major each. Wynn now has a seat at the private major winner’s table.

Siegert must have been inspired with this match. He went out and shot a 79 with an 8 on his card. Taking that 8 into the ESC, Siegert may lose a point on his index.

The rest of the players (25 of us) went on with our business, trying to hit the ball straight and making birdies to gather in skins.

OK LET’S SEE THE RESULTS:
