### ***Match Play has been a Challenge***

*To say the least, the challenge in this year's match play* has been the weather. It looks like the last four weeks of Wednesday for us have been mixed rain and drizzle. Nevertheless, the players of match play would play on with some exceptions.

The club is moving towards the field of 8. Your tournament director has had to move around the scheduling a bit to accommodate some of the rain problems. We at RIGC make it work.

As it stands, we have had some outstanding play. Two-time club Champions Bill Siegert has just been running up low scores, giving his opponent a hard road to hold to try to put him down. Just these last few days, Siegert and Curto arranged their match on an early Friday morning at Twin Lakes. This person went out there to do a bit of observations, and at the turn, Siegert hand Curto down by four even though he was giving up 12 strokes. The match ended on the 15<sup>th</sup> and Siegert now will move to the field of eight in a couple of weeks against upstart Sam Mathews. Matthews took down favorite Mike Henderson last week at Cherry Creek, impressing the entire group with his stellar chipping and putting. Lying under the radar until now is upcoming Jim Walenczak. Jim took down long time club member Julian Almany last week. Jim will be waiting for the completion of the Joy vs. Santos match coming up at Greystone on the 18<sup>th</sup>.

JUNE 15 the Handicap Index rolls over to a new one. This may affect your index pending on previous scores. Those in match play and regular play, look at your index. There are a couple players that have been going by with our calculated index and you now have your own by GAM---good luck....

### ***RIGC MEMBER-GUEST OPEN INVITATIONAL-2014***

The information is posted on our website and it can be printed there. Please make it a point after reading this, if you are NOT interested in this format or play. We have 34 regular members with one junior member. There has to be a minimum of 28 teams or 56 players. I could go to the outside to fill a few spots. It would be exceptional to have over 30 teams---however it is max'd out at 32 team. If we go to 32 teams, I will increase the flights to four. Let me know asap if you have any concerns or questions--  
Thanks for your support on this matter.

### ***“THE JUG”***

We are back to our routine of wagering-----According to the schedule, we will have a full field of players for Greystone. Only a couple of matches will go on. As it stands, rankings are the same on JUG points
