#4 Week of May 25 2014

## *A moment of silence for those who gave the ultimate Sacrifice*

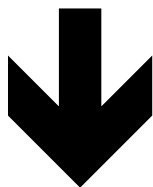

*A good group of members* rolled into Boulder Pointe Golf Club outside of Oxford, MI. This course was chosen because it will be hosting out first round of the President’s Medallion Match Play for 2014.

The course was in excellent shape with exception of the bunkers. Boulder Pointe was built on a quarry and the rocks that surface in the sand traps are those that are native to that area. In the past, the club was able to clean up these stones but the spring weather put a bit of a stop to the clubs schedule. Rumor spread quickly throughout the day of competition, if you land in the bunker, either lift the ball, rake the bunker, and replace the ball OR if the stones are as bad as they were in one trap, take it out and drop---either way, NO PENALTY.

Your club rules committee will adopt that rule for the upcoming match play.

The weather was hot and humid, making a good day for a round of golf. From what I see and I did not hear in the clubhouse, there were no real outstanding shots. If there were, it was quiet. We did have one quote on a par three by a member---stating his 60-foot putt did a 360-degree peak at the bottom of the cup and decide to go elsewhere. That is the breaks... Norm Goldner our Silver Fox decided to gather some money in this game---keep it up Norm and Bill will issue you a 1099 at the end of the season. Congrats...

Now enough of the recap of the day, let’s get down to what is needed—the final results:

## **MATCH PLAY NEWS**

Our 2014 President’s Medallion Match Play will start on Wednesday June 4<sup>th</sup>. The first round is at Boulder Pointe following the second round on June 11<sup>th</sup> at Cherry Creek. On the evening of June 1- HHC WYNN MILLER will be setting the brackets with Rod Cooper looking over his shoulder. ON June 2<sup>nd</sup>, I will post the brackets. We were going to have this broadcasted on ESPN but our President Moore could not negotiate a good contract for the club. Maybe next year. Wynn will be using handicaps posted on June 1. Any dispute you can take it up with him.

We have 32 members that will be participating in this our 5<sup>th</sup> match play championship. We have lost one of our past winners, Chuck Senkyr, due to severe back/neck issues. Will he fall like the likes of Prince Fielder? We certain hope not. We will miss that competitive spirit of yours CHUCK. If you wish to come by around the time we are finishing, please do so---the soda is on the club.

#4 Week of May 25 2014

There has been some discussions on the second round and the mandatory play. With further discussions, we will have the second round scheduled as it but if you cannot make it, then it will be up to you and your opponent to come up with a date prior to the third round to be completed. Please have the makeup round within one of the RIGC functions. Just let me know which one.

## **WAGERING DURING FIRST ROUND OF MATCHPLAY**

After going over the wagering system, WE ARE NOT going to have a wagering pool at the opening round. It is better for all match play players to concentrate on how they are going to be playing the hole against their competitor---that includes the closes to the pin and NO three putt revenue sharing.

HOWEVER

If there are a number of member that get forfeited on their match, then I will put them together in their own little group and you can wager amongst yourselves.

The wagering pool will be back up and running on the following week and during the other match play competitions. It is only match play players that do not have to participate ---until they are eliminated.

## **Medal Play Scores during Match Play**

- Generally, match play is scored as winning the hole or not. Match Play is a part of our clubs Major Tournaments. There are extra points awarded toward “THE JUG” for Match Play. We do need to have a medal play score for the day. The score can be your gross score and it will be handicapped down to get the low net of the day and so forth. If you do not finish a hole just leave it blank and by USGA/GAM we know what to put into that box.

## **Posting Match Play Scores**

- Here is the other reason we need medal play scores. According to GAM, HHS Miller is to post all match play scores and those scores are to be medal play scores. Let’s make certain that we have those scores set. The scorecards will be marked for all competition.

If it sounds a bit confusing, it is not. The best I can tell you is—just play golf mark your scores and between Wynn Miller, Bill Siegert, and me, we can figure it out. Good Luck.

THE FIRST ROUND WILL BE HELD AT BOULDER POINTE, AND WHICH TWO 9’S IS NOT KNOWN AT THIS TIME----

See you all at Boulder Pointe on May 21<sup>st</sup>—consider this a round to shape up for the opening match play.
