THE 2015 Season HAS STARTED

Our season has taken off with a big bang. The RIGC group has expanded like my waistline and has moved to 56 members. For all those that are joining us this year—WELCOME!

With this many avid golf players, this year should have some exciting open play, event play and some real competitive tournament play.

Let us refresh this first day of play at Boulder Point Golf Club. We played the two most difficult 9's they had to offer and we took it back a tad further than I should have—playing closer to 6450 yds. For those that may have some concerns about the length, my apology, I try to keep all events somewhere around 6100yds +- 200yds.

To recap we had a low score both gross and net of 78/67 by new member Bill Hussong—along with the prize money, he also gained the first 100 points towards THE WHISKEY JUG—AKA

“THE JUG”

Par three winners were Jack Farrow, Brian Small, Gary Griffin and Greg Quintana

Skin winners from the “Palmer Flight”

Goldner-2
Hussong-1
Johnson-1
Kanaan-1

Skins winners from the “Nicklaus Flight”

Dwyer-1
Curto-1
McMurray-1
Landis-1
Farrow-1

You can find the prize payout on the website under members only section. Congratulations to this past week winners.

If you are not familiar with the Jug points, the explanation is on our website. The jug was on display at the annual meeting and to date it has only two winners: 2013 Wayne Curto and 2014 Bill Siegert (who presently has this jug living in his gathering room in Troy-sometimes it travels to his cottage on Lake Huron in Port Sanilac.

Gen. Info—

Member/Member----you get with another member and make your team—submit that to me anytime—leftovers will be setup by me prior to the tournament.

Invitational---look at the setup on the website. WE want hole sponsors, (\$100.00 per hole) and two cart sponsors (\$150.00). John Landis and Kevin Downey are heading that section---We will need artwork from the sponsor if needed. Stay tuned for full details to come in the coming months.

Wednesday May 13 shotgun start—general quick meeting afterwards in the grille.

See you all there.....
